

HUBZone Empowerment Contracting Program

Briefing

- What is a HUBZone?
- Where are HUBZones located?
- How can I apply for HUBZone certification?
- How do I find HUBZone contracting opportunities?

The HUBZone Empowerment Contracting Program Briefing will detail eligibility criteria and how to find HUBZone contracting opportunities. Small business concerns eligible under this program can compete for federal contracting opportunities set aside for the HUBZone program with federal agencies. HUBZone certified small business concerns are also eligible for a price evaluation preference when competing on full and open competition. Attend the briefing and learn how you can find these opportunities.
